

Public Transport MAP

Effective from January 2011

West Berkshire District PUBLIC TRANSPORT MAP AND GUIDE

This Map and Guide provides an overview of local bus and train services in the District. It includes details of accessible transport services for less mobile customers.

Places of interest that you might like to visit are listed, together with contact telephone numbers.

We also produce a **Transport Guide** and a **Getting There!** booklet, which are available free of charge from the Council Offices, local libraries and Newbury Tourist Information Office.

They are also available via the Council's website www.westberks.gov.uk/transport

Some changes may occur to services during the year. Customers are therefore advised to check with Traveline or with transport operators before travelling.
