

Welsh Dragons Blockade

AWE Burghfield

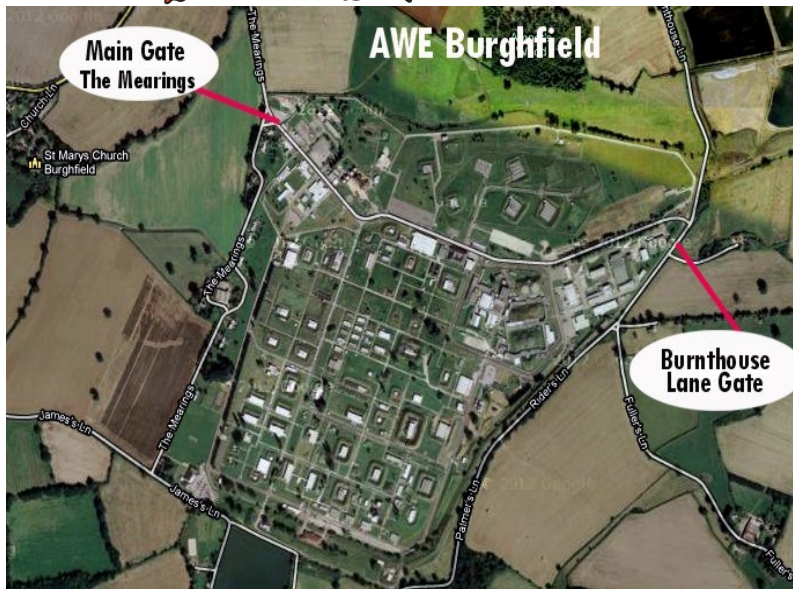

Thursday 3rd October 2013

From 7a.m. on 3rd October people from Wales and beyond will gather at AWE Burghfield nuclear bomb factory in Berkshire, England to peacefully blockade the 2 gates with music, dragons, hopes and a vision of British nuclear disarmament.

As part of Action AWE (www.actionawe.org) we will disrupt the ongoing preparations for a new nuclear weapon system by stopping traffic from entering and leaving AWE Burghfield. We believe that the work at AWE Burghfield is a threat to international peace and security and must not proceed unchallenged. We will also show the determination of participants not to vote for any pro-Trident Replacement MPs at the next general election.

Groups wanting to participate can turn up unannounced on the day or contact us for advice on arrangements, tactics or places to stay overnight. It would be good to know in advance so we can have some idea of numbers. Please join in as creatively as possible with banners, songs and dragons.
