DISARM!

ACT AT THE BOMB FACTORIES. SPEAK TO YOUR CANDIDATES. VOTE FOR NUCLEAR DISARMAMENT.

PLEDGE TO ACT, SPEAK, VOTE > DISARM!

I pledge to take nonviolent action in March 2015 to prevent Trident replacement and ban all nuclear weapons.

I pledge to:

- work with a group of people, pick a date, and take nonviolent action at Aldermaston or Burghfield Atomic Weapons Establishment in March 2015;
- follow up our action at AWE with local activities, contacting election candidates about halting the renewal of Trident, and committing Britain to join on-going international efforts to negotiate a global treaty to ban all nuclear weapons.

Your nonviolent action could be direct, theatrical, dramatically visible, politically directed – whatever you like!

Tick the boxes below if you would like:

- ☐ to receive the Action AWE email newsletter
- ☐ a nonviolence training session for your group (find us a room and invite your group, and we'll do the rest!)
- ☐ help to organise a creative, inspiring nonviolent action!
